2022 - 23 OAKLAND EARLY LEARNING SYMPOSIUM
RENEW AND RESTORE!
Part I: Partnering with Families of Children with Special Needs

WEDNESDAY, NOVEMBER 9, 2022
6:30 - 8:00 PM

Free online event via Zoom

REGISTER HERE

Registration includes an invitation to an in person event with free books and a light breakfast!
Join us!

The Oakland Early Learning Symposium provides support and guidance to Oakland early care and education professionals and caregivers. Join us for our first workshop of the year to better understand how to work with families who have children with special needs.

This workshop will feature:

- Updates from partners about programs and services focused on families of children with special needs.
- Tips on how to communicate and build positive relationships with families.
- Sharing and learning from each other in small groups.

All participants will have the opportunity to attend an additional in-person event with free giveaways!

Language interpretation and professional development credits are available.

Register HERE

Due to limited capacity, Oakland providers will be prioritized in registration.
