

# PROGRESS TO DATE

## OAKLAND Coaching and Trauma-Informed Practices

Children in Oakland experienced a steady, positive districtwide increase in Spring DRDP scores since 2016.

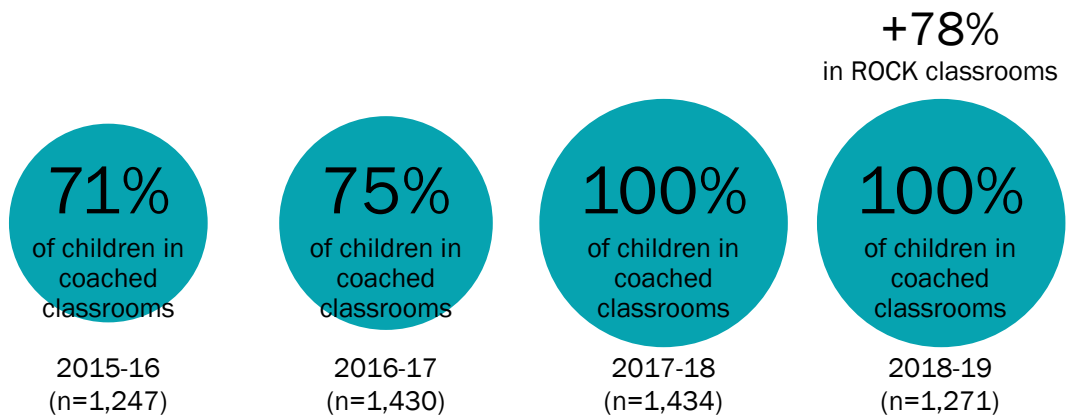

Children whose teachers received three years of coaching showed significantly more improvement in their DRDP scores from fall to spring.

By the 2018-19 school year, 100% of children were in coached classrooms, 78% of which were also ROCK classrooms.
